Hadas, I am forwarding this note to Leslie, hopefully she can answer some of the questions. Do you need help finding the original NPDES Permit? I'd bet that the mining company has this, if not I can see what I can track down here in the Region.

I think Thursday might be better, I've got a couple of EIS that I need to comment on so I might not look at this issue before Tuesday, especially since we have Monday off.

I think the list of addressees is who should be invited.
